

NADI NINA KAONGA

EDUCATION AND TRAINING

- 7/2019 – 6/2023 **Maine Medical Center**, Portland, ME, USA
Resident in Obstetrics and Gynecology
Completed residency in obstetrics and gynecology and functioned as a clinical instructor for the Tufts University School of Medicine and Maine Track Program as part of the Department of Obstetrics and Gynecology.

Served as Administrative Chief for the 2022-2023 academic year.
- 9/2012 – 5/2019 **Tufts University School of Medicine**, Boston, MA, USA
MD with Research Honors
Completed academic and clinical coursework and training and also engaged in research activities in global health.
- 9/2014 – 8/2016 **Tufts Graduate School of Biomedical Sciences**, Boston, MA, USA
MS in Clinical and Translational Science
Completed academic coursework in biostatistics and epidemiology with a practical focus on quantitative evaluation methods.

Thesis Title: "Developing a predictive model to identify sub-optimal antiretroviral therapy adherence in Namibia"
- 9/2010 – 5/2012 **Johns Hopkins Bloomberg School of Public Health**, Baltimore, MD, USA
MHS in International Health, Global Disease Epidemiology and Control
Completed coursework in epidemiology, biostatistics, quality assurance, community trials program design and program evaluation.

Thesis Title: "Exploring the social structure of a Health Worker Mobile Phone Closed User Group in a community in Sub-Saharan Africa: A Social Network Analysis"
- 9/2006 – 2/2010 **Columbia University, Columbia College**, New York, NY, USA
BA in Neuroscience and Behavior and Pre-Medical Studies
Courses covered include biology, physics, chemistry, advanced mathematics, statistics and global health.

CLINICAL EXPERIENCE

- 9/2023 – Present **Emory University**, Assistant Professor/Academic Generalist in Obstetrics and Gynecology
Serve as teaching faculty within the Department of Gynecology and Obstetrics.

PUBLIC HEALTH EXPERIENCE

- 12/2018 – 6/2019 **Independent Consulting**, Global Health Consultant and Technical Advisor
Client: Sitara
Project: UNICEF-led initiative to develop selection criteria and identify technology applications for Child & Youth Friendly Spaces in refugee settings

Client: HealthEnabled
Projects: Research and evaluation; digital health strategy development
- 6/2017 – 10/2018 **citiesRISE**, Technology Advisor
Lead and advise citiesRISE, a mental health initiative of the Global Development Incubator, and partners on the use of technology to support mental health and broader health outcomes
- 4/2017 – 6/2017 **HealthEnabled**, Senior Program Manager and Senior Technical Advisor

NADI NINA KAONGA

Managed and provided oversight on discrete digital health initiatives that are part of HealthEnabled's portfolio.

5/2016 – 4/2017

HealthEnabled, Interim Deputy Director

Supported and lead the global operations and day-to-day management of HealthEnabled, a global health not for profit organization based out of Cape Town, South Africa, that provides strategic and technical advisory support on digital health to governments and implementing partners. Helped the organization restructure and grow to meet its needs as well as sustain and expand its portfolio.

12/2014 – 5/2016

HealthEnabled, Senior Project Manager

Managed mobile health (mHealth) implementations related to the United Nations Commission on Life-Saving Commodities and technical review teams

10/2013 – 12/2014

Independent Consulting, Global Health Consultant

Former Client: Merck for Mothers [via Payne Global Consulting, LLC]
Project: Project iDeliver (mHealth for intrapartum care)

Former Client: United Nations Foundation
Projects: Supporting research and analysis for recommendation 9 of the United Nations Commission on Life-Saving Commodities; assisting with research and synthesis of Phase I findings of the Nigeria ICT4SOML Initiative

Former Client: UNICEF [via mHELP (now HealthEnabled)]
Project: Evaluation of UNICEF's M-iCCM tool and implementation in Homa Bay, Kenya

Former Client: Malaria No More
Project: White paper on mHealth opportunities to combat malaria

9/2012 – 5/2013

Department of Biomedical Informatics at Columbia University, Project Advisor

Assisted the interdisciplinary team in the design, implementation and evaluation of the Ethiopia Federal Ministry of Health's national Mobile Health Roadmap Project and helped oversee and support the research and evaluation activities

10/2011 – 9/2012

Earth Institute at Columbia University, Research and Evaluation Coordinator of the Electronic Health Program

Oversaw and supported the day-to-day functioning and operations of the electronic health program, focusing on program management, research and evaluation activities

7/2010 – 10/2011

Earth Institute at Columbia University, Mobile Health Program Coordinator

Provided programmatic and administrative support to mobile health team, including involvement in research activities; assisting with grant writing; working with team to draft and submit publications

1/2009 – 7/2010

Earth Institute at Columbia University, Mobile Health Intern

Assisted Director of Strategic Application of Mobile Technology for Public Health and Development, Center for Global Health and Economic Development

6/2009 – 8/2009

Millennium Villages Project, Mobile Health Intern

Helped set-up mHealth program in Zomba, Malawi

6/2008 – 8/2008

Malawi College of Medicine-Johns Hopkins University Research Project, Intern

Provided administrative support to a Project Coordinator of a randomized controlled trial exploring various ARTs for PMTCT of HIV; cleaned data

NADI NINA KAONGA

ADDITIONAL PROFESSIONAL EXPERIENCE

- 2019 – 2023 **Tufts University School of Medicine**, Clinical Instructor
Taught and mentored medical students who rotated at Maine Medical Center.
- 2013–2014, 2016 **Innovations in Global Health [Undergraduate Course]**, Faculty
Helped teach and mentor students as part of the Harvard Summer Program's course on Innovations in Global Health, based in Kisumu, Kenya. The rigorous course provides an overview of global health and has a practical component.
- 1/2014 – 5/2015 **American Medical Association's Journal of Ethics**, Theme Issue Editor
Oversaw and coordinated the publication of the May 2015 issue on physician-patient relationships, inspired by the JAMA piece on "Crossing Boundaries" by Dr Gordon Schiff. The American Medical Association (AMA) Journal of Ethics (formerly, Virtual Mentor) is a monthly online publication, indexed in PubMed.
- 2/2011 – 5/2011 **Children in Crisis [Graduate Course]**, Teaching Assistant
Helped re-develop and implement the curriculum for the Children in Crisis course at the Johns Hopkins Bloomberg School of Public Health. The course is focused on providing tools on how to approach working with vulnerable youth.
- 10/2009 – 5/2010 **Lang Youth Medical Program**, 11th Grade Program Advisor
Co-developed and taught Global Health Curriculum
- 9/2007 – 5/2008 **Academic Resource Center, School of General Studies, Columbia University**
French Tutor to first-year French students
- 6/2007 – 8/2007 **Sean Tracey Associates**, Summer Intern
Advertising internship where duties included creative development and research
- 6/2007 – 8/2007, 6/2006 – 8/2006 **Maine Medical Center Research Institute (MMCRI), Spicer Lab, Student Researcher**
Conducted breast cancer research
- 9/2007 – 12/2009 **Office of Disability Services, Columbia University**, Note-Taker and Proctor
- 9/2006 – 5/2009 **Columbia University Visitors Center**, Tour Guide and Receptionist

PROFESSIONAL DEVELOPMENT

Computer Skills

Windows OS, MacOS, Microsoft Office Suite, STATA, NVivo, LIST, UCINET, R

Languages

English, French (proficient)

Volunteer

Member, *ACOG District 1 Diversity, Equity and Inclusion Committee* (2022-Present)
Founding Member, *Maine Medical Center OB/GYN Residency Program Diversity, Equity and Inclusion Task Force* (2021-Present)
Board Member, *American Heart Association* (2021-Present)
Advocate, *American Heart Association* (2020-Present)
Member, *Maine Medical Center Project on Building Resilience for Adverse Childhood Experiences* (2019-Present)
Member, *Maine Medical Center Pipeline Steering Committee* (2018-2020)
Member, *Solutions for Surgery in Africa* (2018-2020)
Malawi Collaboration Volunteer, GO! Palliative Care Initiative (2013-2017)
Regional Chapter Mentor, Physicians for Human Rights National Student Advisory Board (2014-2015)
Co-President, Tufts Physicians for Human Rights (2013-2014)
Class Curriculum Committee Representative, Tufts University (2012-2014)

NADI NINA KAONGA

Co-Moderator, mHealth Student Group, *Online Google Group* (2011-2017)
Student Advisor, Johns Hopkins mHealth Student Group (2011-2012)
Social Media Chair, Johns Hopkins mHealth Student Group (2011-2012)
Advisor to African Public Health Network (APHN), Johns Hopkins (2011-2012)
Fundraising Coordinator, APHN, Johns Hopkins (2010-2011)
American Cancer Society, Colleges Against Cancer (2007-2010)

Memberships

mHealth Expert Learning Program (mHELP) Expert Network **[Member]**,
mHealth Student Group **[Co-founder]**, West African Health Informatics
Fellowship Program (WAHIFP) **[Advisory Board Member]**, HEAL Trafficking
[Member], American College of Physicians **[Member]**, American Medical
Association **[Member]**, American Academy of Family Physicians **[Member]**,
Association for Clinical and Translational Science **[Member]**, Diva Docs (Greater
Boston) **[Member]**, American College of Obstetricians and Gynecologists
[Member], Association of Professors of Gynecology and Obstetrics **[Member]**

ACADEMIC AWARDS

2022-2023

Resident Medical Student Teaching Award, Recipient
Recognized by Tufts Medical students rotating in OB/GYN at Maine Medical Center as the resident who contributes most to the medical student success in patient care and teaching.

2022-2023

Housestaff Award in Excellence, Recipient
Recognized by Tufts M'2023 Class. One of ten recipients across all of Tufts' affiliated hospitals and only recipient from Maine Medical Center.

2021-2022

Housestaff Award in Excellence, Recipient
Recognized by Tufts M'2022 Class. One of ten recipients across all of Tufts' affiliated hospitals and only recipient from Maine Medical Center.

2019-2020

Excellence in Teaching, Recipient
Recognized by Tufts Medical students rotating at Maine Medical Center.

NADI NINA KAONGA

- 5/2019 **Dr John T. Batal Prize**, Recipient
Awarded to a 4th year medical student who has flourished during his or her clinical years.
- 5/2019 **Medical Class of 1928 Award in Anatomy**, Recipient
Awarded to a 4th year medical student who has demonstrated outstanding work in the course of anatomy.
- 9/2018 **Honos Civicus Society**, Inductee
Recognizes 4th year medical students who have demonstrated exceptional commitment to community service and civic engagement.
- 3/2018 **ACOG District 1 John Gibbons Student Award**, Recipient
Recognizes the recipient's interest in OB/GYN and achievements in medical training to-date.
- 5/2010 **Columbia University's Campus Life Leadership Award**, Recipient
Awarded to student whose participation and involvement in undergraduate campus life at Columbia have enhanced the spirit of student life on campus.
- 5/2010 **Columbia University's Edward S. Brainard Memorial Prize**, Finalist
Annual prize is awarded to senior who is judged by classmates to be most worthy of distinction for qualities of mind and character.
- 5/2010 **Columbia University Office of Multicultural Affairs**, Graduation Cord Recipient
Awarded to graduating seniors who have shown commitment to diversity, social justice and multiculturalism and demonstrated leadership, dedication and community involvement.
- 9/2006 – 2/2010 **Columbia University Named Scholarship**, Anthony Viscusi Scholar
An honorary award that acknowledges recipient's academic and social accomplishments.
